STERLING RISK GROUP™

MEDICAL TRAINING · COURSE SHEET

Combined First Aid at Work & Paediatric

Delivered and certified through a partner's licensed, approved training centre. Booked and supported by Sterling Risk Group.

3 days	Certified	Up to 12
DURATION	ON SUCCESSFUL COMPLETION	LEARNERS PER INSTRUCTOR

Who it is for

For people who may need to help adults and children, such as household teams and protection officers supporting families.

What it typically covers

- Adult first aid content of a full First Aid at Work course
- Infant and child resuscitation and choking
- Paediatric emergencies and illnesses
- Bleeding, shock, burns, fractures and head injuries for all ages

Content follows the standard UK course of this type. Exact syllabus and assessment are confirmed when you book.

Good to know

- Small groups, with up to 12 learners per instructor, and up to 6 on FREC courses.
- Courses can be arranged for teams, households and organisations.
