STERLING RISK GROUP™

Paediatric First Aid

Delivered and certified through a partner's licensed, approved training centre. Booked and supported by Sterling Risk Group.

2 days	Certified	Up to 12
DURATION	ON SUCCESSFUL COMPLETION	LEARNERS PER INSTRUCTOR

Who it is for

For anyone who looks after infants and children, including nannies, family office and household staff, and those supporting families on the move.

What it typically covers

- Assessing an emergency involving an infant or child
- CPR for infants and children, and use of an AED
- Choking, bleeding, shock and burns
- Fractures, head and spinal injuries
- Febrile convulsions, meningitis awareness, asthma and severe allergic reactions
- Poisoning, bites and stings, and effects of heat and cold

Content follows the standard UK course of this type. Exact syllabus and assessment are confirmed when you book.

Good to know

- Small groups, with up to 12 learners per instructor, and up to 6 on FREC courses.
- Courses can be arranged for teams, households and organisations.
